2025 WESTERN MINING DIRECTORY

INTERACTIVE DIGITAL DIRECTORY PUTTING YOUR COMPANY IN FRONT OF CURRENT AND NEW CLIENTS

Controlled Marketing. The directory is unique. A complimentary directory is mailed to all directory-listed mining companies, mines and operations.

The Western Mining Directory will provide maximum exposure for its advertisers to the decision makers of the industry for an entire year. The Directory occupies a vital niche in the information marketplace for the entire industry and is thus a prime venue for representing your company's services and products to the industry.

The Western Mining Directory has been published for over **45 years**. The directory will list over mining companies, mines, projects and properties. The Mining Company section contains telephone numbers, websites and addresses for corporate, regional, exploration and mine offices, and all principle officers. Mine information includes names of managers, its location, and whether it is open pit or underground, its type of recovery, products, operator, grade, mining rate and number of employees.
